T-shirt

A comprehensive color palette consisting of 280 individual color swatches, arranged in a grid. The first 200 swatches are numbered 1 through 200, and the remaining 80 swatches are numbered 197 through 200. The colors are organized in a way that covers a wide range of the visible color spectrum, including various shades of primary and secondary colors, as well as a variety of grays and skin tones. The swatches are presented in a consistent size and format, making it easy to compare and select colors for design purposes.
